

DPRK People Enraged at Trump's Heinous Remarks

Pyongyang, September 22 (KCNA) -- The DPRK army and people, enraged at such reckless remarks made by Trump at the UN General Assembly as "totally destroying" the DPRK, are expressing their determination to force the U.S. to pay dear price at any cost.

Jon Kwang Jun, department director of the Ministry of Electric Power Industry, told KCNA:

Trump is really a mentally deranged dotard and lunatic gangster.

Only such idiot as Trump could make reckless remarks like "totally destroying" a sovereign state on the UN arena.

Even his predecessors dare not make such remarks on the UN arena.

His remarks that the U.S. would totally destroy a nation are unpardonable.

It is a foolish idea if he thinks that the U.S. would be safe as it is far away from the DPRK across the ocean.

We will totally destroy the U.S. mainland, a snake pit, with our nuclear deterrent of justice and force the U.S. imperialists to pay dear price for their crimes committed against the Korean nation.

An Myong Hyok, secretary of the Pyongyang University of Railways Committee of the Kimilsungist-Kimjongilist Youth League, said:

Trump talked nonsense that he would wipe the DPRK of 25 million people off the map. If so, it is questionable whether he thinks that 3 hundred million people in the U.S. might remain alive.

A club is fit for a mad dog.

Once our supreme commander will give us an order, we, young people, will surely wipe the U.S, the cesspool of evil, off the map. -0-

DPRK People Vow to Tame Trump with Fire

Pyongyang, September 22 (KCNA) -- The DPRK army and people vow a sacred war against the U.S., branding Trump, a mentally deranged dotard, for making such reckless remarks at the UN General Assembly as "totally destroying" a sovereign state.

Pak Song Hun, an officer of the Korean People's Army, told KCNA:

Trump's speech precisely means a declaration of war against the DPRK.

Respected Supreme Leader **Kim Jong Un** said in his statement that he will make the man holding the prerogative of the supreme command in the U.S. pay dearly for his speech calling for totally destroying the DPRK.

It is the firm faith and will of our revolutionary armed forces to mete out merciless punishment to invaders with the arms of justice and to totally destroy the mainland of the U.S.

The world will clearly see how dearly the U.S. should pay for the provocative remarks made by insane Trump.

Our revolutionary armed forces are awaiting an order from the respected Supreme Leader.

Ri Myong Ho, a workshop head of the Pyongyang Steel Works, said:

The lunatic called the U.S. president knows nothing about the DPRK.

Trump should keep in his mind that no one dare provoke or harm the dignity of the nuclear power of Juche, and that it will be the DPRK which will laugh last in the century-long anti-U.S. sacred war.

Lunatic dotard Trump and his group of military provokers are deserved to be tamed only with fire. -0-
